Organic, Undyed Cotton
Grown in California by *Foxfiber*
Tencel Lyocell Harvested Sustainably
from Eucalyptus Trees by *Lenzing*

Designed and Loomed in
California, USA

Myrrhia Fine Knitwear makes clothes that are not costumes, not armor, not uniforms, but a form of self-expression. We only work with yarns and fibers that are grown and spun in the USA, choosing local and organic whenever possible.

Unlike cut and sewn garments, each piece is knit to shape - meaning no offcuts in the landfill.
